Under new government guidelines Liverpool Meals on Wheels will ensure that it operates in accordance with The National Guide to the CHSP Fees Contribution Framework.

We are required to improve the sustainability of the organisation by collecting a target of 15% of the total grant revenue provided by the Australian Government.

To achieve this we are branching out into catering.

Let us cater for you.

Please contact us today to discuss how we can support your next event, while you in turn help support a great community service. All menus are flexible and can be tailored to individual group needs. We look forward to meeting your catering needs in the near future.
